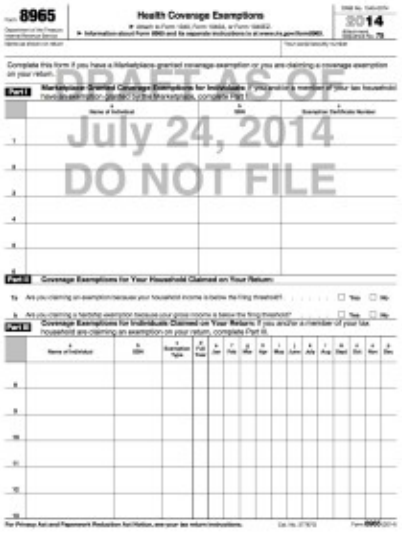
Holy Moly! Here Comes the Tax Man!

If you thought being exempt from Obamacare would give you another year without adding to your tax reporting burden, think again. Here's a draft of the proposed form simply to declare and swear that you're really exempt. That's not the worst of it–Form 8962 is is horrendously long and complex — and being inflicted on mostly low-income and low-education filers!



IRS Health Coverage Exemptions
